

Sigma Nu Takes First In Push Cart Relays

Pearl Buck School will receive a \$100 donation from the fun- and fund-raising Push Cart Relays, sponsored Saturday by Delta Chi fraternity.

The fraternity hopes the event will become an annual charity project.

SIGMA NU fraternity won the grand prize in the races over Alpha Chi Omega sorority.

Sigma Nu was also the winner in the Class A Final over Alpha Tau Omega. Alpha Chi Omega defeated Gamma Phi Beta in the Class B Final race.

Nineteen Greek living organizations entered push carts in the afternoon races. Contestants for

the final races were determined by a series of eliminating events.

AN HOUR-LONG fun parade preceded the races. Theta Chi won the trophy for its entry in that part of the festivities. Delta Upsilon won in the original design competition.

Trophies were presented to all the winners.

The idea for the relays originated with Carl Finwall, a member of Delta Chi who transferred to the University this year from San Jose State College. He said the chapter there sponsors push cart competition every year. He interested members of the University chapter in organizing races here as part of its charity projects.

A LARGE CROWD witnessed Sigma Nu win the first annual Delta Chi Push Cart Relays Saturday. COULD THIS
BE WHY
THE FOUR
FRESHMEN
CAN'T FINISH
SCHOOL?

Yes. But there's nothing wrong with their addition. Four master vocalists, plus four swinging instrumentalists, plus four on stage-off the cuff comedians total Four Freshmen. Honest. And this fantastic triple threat versatility is why college audiences refuse to let the Freshmen finish school.

In "The Four Freshmen in Person • Volume 2" on Capitol, you'll hear them at their versatile best, in a recording made during an unforgettable performance at Long Beach City College. The packed house called it great, and so will you.

Look for "The Four Freshmen in Person • Volume 2" on Capitol, and look for the Four Freshmen in concert on your campus.

Do you think Charlie can win a ribbon?

That's what Joan Anderson, 4-H girl, is striving for: a blue ribbon for Charlie at the County Fair.

Working for excellence is one of many fine principles which the 4-H Club and Future Farmers of America inspire in their youthful members.

Honoring their purposes, our Company annually provides 74 first-year college scholarships for 4-H and

FFA to award to deserving members in the West, Alaska and Hawaii.

Joan Anderson plans to apply for one of these.

This is part of the nearly \$1½ million we contribute annually for scholarships, fellowships, grants, services and materials for schools. We deem it a privilege to give this support.
