cle by presenting a request for a parking permit or auto registration at the physical plant office. The University is now giving $10 tickets to all cars without some type of registration. The registration or parking permit must be displayed on the left rear bumper of the car or on the rear of the scooter. If a permit is purchased and not properly displayed the owner is still liable for a ticket.

Five Stickers Available

Five types of stickers are available for registration. One is a student parking permit which is green, labled "P," and costs $5 for the school year. The permits allow parking in University-owned parking lots marked "A-P." These permits are for students who live more than one-half mile from campus center (or Johnson Hall).

Another $5 sticker is the student dormitory parking permit marked "D." This optional sticker is available only to dormitory residents. Students with "D" stickers may park only in lots marked "D."

The faculty receives free white stickers labled "S" which permits a full time instructor or staff member (with a 40 hour week) to park in any lots designated "S" or "A-P," except when otherwise restricted.

Staff Tag Free

The staff assistant's free white tag is marked "A." This permit enables all assistants with the tag to park in lots marked "A-P" but not lots marked "S."

The third type of student sticker is yellow and is labled "R." This sticker is free but does not permit the use of parking lots between 7 a.m. and 4:30 p.m. These stickers are mandatory on all student vehicles without parking permits. An "R" sticker is not a parking permit and the penalty for violation is a $2 ticket.

munity college construction. Also $1.5 million for salary increases for higher education academic personnel has been eliminated.

On Oct. 28 and 29 the State Board of Higher Education will meet in Portland to discuss the budget cuts.

Proposals to meet the effect of the budget cuts include: raising admission standards from a 2.0 to a 2.5; increasing tuition rates 30 to 35 per cent, and reducing spending on maintenance and rehabilitation of physical facilities.
