**III Rules and Regulations**  
Pursuant to Sections 1-B-4 and 1-E-1 of the Student Conduct Code the following are adopted by the Student Conduct Committee as rules for the violation of which sanctions may be imposed.

**A. Dormitory Rules (adopted by the Student Conduct Committee, November, 1963.)**

1. Rooms must be given proper care. Occupants will be held financially responsible for damage beyond reasonable wear and tear.
2. Sanctions may be imposed for failure to comply with the following rules, which pertain specifically to the room renting situation:
  - a. Locked doors and fire doors must not be propped open.
  - b. Firearms and weapons must be stored in the luggage room.
  - c. Fire alarms and equipment must not be tampered with.
  - d. Dormitory equipment and furnishings must not be removed.
  - e. Electrical appliances must be used only in their proper places. No ironing or cooking in rooms.
  - f. Laundry facilities are restricted to residents of the building only.
  - g. Residents must stay off roofs and sides of dormitory buildings.
  - h. No pets are permitted.
  - i. House guests must be registered with counselor or head resident.
  - j. Liquor and liquor containers are not permitted in dormitory buildings.
  - k. Actions that may create a hazard to the health or safety of residents or cause damage to property are not permitted in the dormitories; e.g., water fights, water balloon dropping, shaving cream fights, firecrackers, intentionally set fires, conspicuously unsanitary conditions, etc.
3. Sanctions may be imposed for infraction of rules pursuant to the following:
  - a. Each unit shall establish quiet hours. Decisions as to what shall constitute quiet hours will be determined by either total complex, building, or unit.
  - b. Dormitory residents shall decide whether or not non-residents will be allowed to use recreational facilities.
- B. Visiting Rules**
  1. In order to respect the privacy of those in residence, members of the opposite sex are not allowed above the first floor of the buildings housing the respective living organizations.
  2. Women may only visit in University related men's housing when accompanied by an appropriate chaperone or when house mothers are present, except when conducting official University business or making official announcements.
  3. Dating in University controlled or related housing after closing hours shall be considered a violation of closing hours.
- C. Social Activities (adopted by the Student Conduct Committee, April, 1964.)**
  1. Any social event involving chaperones or with decorations falling under the regulations of the Fire Marshall must be registered in the Office of Student Affairs not later than 5:00 p.m. of the Tuesday preceding the event.
  2. The closed period for all events is from 5:00 p.m. of the third day prior to the first day of the examination period through the examination period.
  3. Each living organization may have two major house dances a year. These dances must be held in the living quarters of the organizations or in a University approved location, and are restricted to the membership of the organization and a normal guest list.
  4. Informal house functions, such as firesides, record or dinner dances, etc., are restricted to Friday and Saturday nights. No special preparations are to be made for these events.
  5. Social activities of schools, departments, allied fraternities and honoraries must be held in a University approved location and must not conflict with important University functions. Attendance at such activities must be restricted to students and faculty, and their families, of the school or department, or to the members of the organization, and a limited number of invited guests, and may not be all-campus in scope.
  6. Class Activities:
