# UO Spike Aces Run at Modesto

They call it "the meet where the world records are broken." That might be the case again Saturday in Modesto's California Relays.

And there'll be several Oregon Ducks and Emerald Empire aces competing in a number of those events.

Oregon's great sprint twosome of Harry Jerome and Dave Blunt may run the 220 against Bob Hayes and Henry Carr. "The meet promoters would like to see them run the 100 but I don't think they will," says Oregon track coach Bill Bowerman.

In fact, Bowerman isn't even sure if they'll run the 220 or not. Blunt and Jerome will team up with Gordon Payne and Al O'Leary in the 440 relay. They'll challenge some of the nation's best, possibly including Grambling College.

Grambling tied the world record of 40.0 set by an Oregon team of Mel Renfro, Jerry Tarr, Mike Geachter, and Jerome in 1962.

Yet the Ducks, with Blunt and Jerome running the last two legs, could give Grambling trouble unless the all-Negro college is way ahead when Jerome gets the baton. The Ducks have a best of 40.9.

Les Tipton, the nation's best javelin thrower, will face his first truly tough competition since Larry Stuart of USC.

Throwing against him will be Glenn Winningham of Arizona State (258-11), Frank Covelli of the Pasadena AA (260-11), Phil Conley of the Santa Clara Youth Village (260-2 1/2), Ron Ulrich of Pasadena (254-2 1/2), and Bob Sbordone of Camp Pendleton (254-1).

Tipton is the most consistent of the group. It will be especially interesting to see what he does against Winningham, as they are the two top contenders for the NCAA crown.

Terry Llewellyn and Paul Stuber could be the class of the

high jump. The best California jumpers will probably be competing in the AAUW meet the same day.

Ray Van Asten, who Bowerman has said is "ready to run against the kind of competition available at Modesto," will go in the 880. He'll meet Jerry Seibert, the AAU champion of two years ago, and Norm Hoffman, the former Oregon State runner who upset Seibert two weeks ago.

The Ducks may also take hurdler Marcial Hunter, if his classroom schedule will permit. Bowerman says Hunter should compete against some 13.9 hurdlers.

Bowerman will also send out a mile relay team composed of four of Payne, Van Asten, O'Leary, Blunt, and Jerome.

Archie San Romani will not enter the miracle mile. "Archie's run every week since the beginning of the season," says Bowerman. "It's his turn for a rest."

Emerald Empire will also send three competitors to Modesto.

Dyrol Burleson will compete in the feature event of the day, the mile. He'll run against Tom O'Hara, Jim Grelle, John Caimen, Cary Weiiger, and Jim Ryun.

Sig Ohlemann will compete in the half mile and Neil Steinauer will put the shot.

## Volleyball Games Set for Saturday

A doubles volleyball tournament, the first of its kind at the University, has been slated for Saturday in the West gym of the men's P.E. building.

Anyone from the University, including staff and students, is eligible to enter.

Sign-ups will get under way at 9:30 a.m. with play beginning at 10 o'clock. Each couple competing is required to pay the \$5.00 entry fee. A trophy will be awarded to the first place team in the tournament.

## 40 to Compete In Kegling Tourney

Forty students will be competing for top honors Saturday in the all-campus bowling tournament, sponsored by the SU Games committee.

Action is slated to get under way at 2 p.m. on the SU lanes. Women will be bowling on the Brunswick alleys with men on the AMF side.

The participants will be vying for such awards as bowling balls, Oregon blankets, bowling bags and trophies.

The qualifying rounds, held for the purpose of establishing averages and determining handicaps, were rolled off last weekend.

Topping a field of 29 men was Harry Whitaker who racked up a 192 average. Behind him were Larry Gelbrich, 177; Skip Jordan, 176; and Bill Miller, 175.

High bowlers for the 11 women entered were Pat Johnson with a 161 average; Marian Furrer, 155; Carolyn McCoy, 151; and Betty Jordan, 145.

The top two placers in each division were awarded 15 and 9 free lines of bowling respectively.
