Flemming to Present UO Viewpoint

Tourney Hearing Set

University President Arthur S. Flemming will present the University's viewpoint on moving the Oregon State A-1 High School Basketball Tournament from Eugene to Portland at a meeting of the Board of Control of the Oregon School Activities Association in Corvallis Friday.

Leo Crisman, president of the Board of Control, said Monday that the Board has agreed to hear Flemming "since he was not present at our first meeting." The Board voted 3-2 in March to move the tournament from McArthur Court in Eugene to the Memorial Coliseum in Portland.

Flemming was not in Eugene at that time and so will be given an opportunity to present the University viewpoint on the move.

One of the reasons given by the Board for moving the tour-

nament was that the University will not allow it to be held during the third week of March, since this is normally finals week.

Crisman said only Flemming would be heard by the Board. However, Archie Zarewski, chairman of a Eugene citizens committee to return the tourney to Mac Court, told the Register-Guard that he and a representative of the Eugene Active Club, co-sponsor of the tournament, also plan to make a presentation to the Board.

Zarewski said the Eugene group plans to ask for a formal reconsideration of the move. However, such a vote will be held only if one of the three members who voted to move the tournament ask for it.

The meeting will be at 2 p.m.

The three who voted to move the tourney were Art Westcott of Franklin High School in Portland, Perry Price of Imbler, and Gerald Cammann of Vale.

Ray Hunsaker of Klamath Falls and Alvin Mullikin of Bandon voted for Eugene.

Sophomores...

Here's what the new 2-year Army ROTC program means to you

A new Reserve Officer Training Corps program permits selected college sophomores to be commissioned as Army Second Lieutenants in two years. You can do this by:

1. Completing a special 6-week summer camp between your sophomore and junior years.
2. Completing the 2-year Advanced Course at any school offering the ROTC program.

What are the benefits of Army ROTC training?

- Management training for success in civilian or military life.
- \$40 per month pay while attending the Advanced Course, plus uniforms; pay and paid travel for summer camps.
- Eligibility for free flight instruction at selected schools leading to a private pilot's license.
- A commission as an Army officer, with all of its accompanying benefits, including higher income, greater opportunity for advancement and officer status.
- The personal satisfaction that comes from knowing you're trained to assume leadership responsibilities.

These benefits will put you a step ahead of other college graduates and will pay off for the rest of your life. You owe it to yourself to investigate these new opportunities.
