

# Webfoot Squad Bills Alum Tilt

Oregon's football Ducks close out spring drills Saturday with the traditional battle with the Alumni squad, and this year's contest rates as one of the finest in Hayward Field history.

The Alums will sport their finest starting backfield in the persons of Bob Berry, Larry Hill, Duane Cargill and Mel Renfro.

Berry will have Renfro as a prime aerial target, together with split end Paul Burlison, and tight end Corky Sullivan. Both rate as fine receivers and Sullivan is known as a good blocking end.

Oregon assistant coach Phil McHugh will team with 1957 Oregon quarterback Jack Crabtree to coach the Alums.

McHugh and Crabtree are expected to concentrate their offensive attack on the aerial game.

## Varsity-Alumni Tickets

Tickets for the Varsity-Alumni game at Hayward Field Saturday will be \$.50 for students, and \$1.50 for adults. Tickets will be available at the gates to Hayward Field preceding the game.

in light of the presence of Berry and his topflight receivers.

Backing up Berry at quarterback will be Dave Grosz who spearheaded Oregon's 1957 Liberty Bowl team.

Coach Len Casanova has selected Mike Brundage as his starting signal-caller. Two of his other quarterbacks—Tom Travato and Mike Barnes—will miss the contest because of injuries.

Casanova's varsity squad is expected to feature more balance this season than last year. With the departure of Berry, Oregon will accentuate the running game. Lack of a competent ground attack was Oregon's weakest offensive point last season.

The varsity has captured four of the five contests played so far, and Casanova's current crew are in hopes of extending its winning streak to five straight

after the initial Alumni victory. Game time Saturday is 2 p.m.
