

No problems, no messages,
no philosophies, no way-out
art, no way-in techniques...
just straightaway
plain pleasure.

IS THIS THE WAY TO MAKE A FUNNY MOVIE? YOU BET IT IS!

Not only shootin'-
but train robbin' and
rustlin' and drinkin'
and fightin' and some
dang-busted fancy lovin' too!

We'll put it into song...

We'll shout it to the rooftops..

We'll be hanged...

If it isn't a sleeper!

It's good clean fun...

Hair-raising excitement...

And whoop-it-up action...

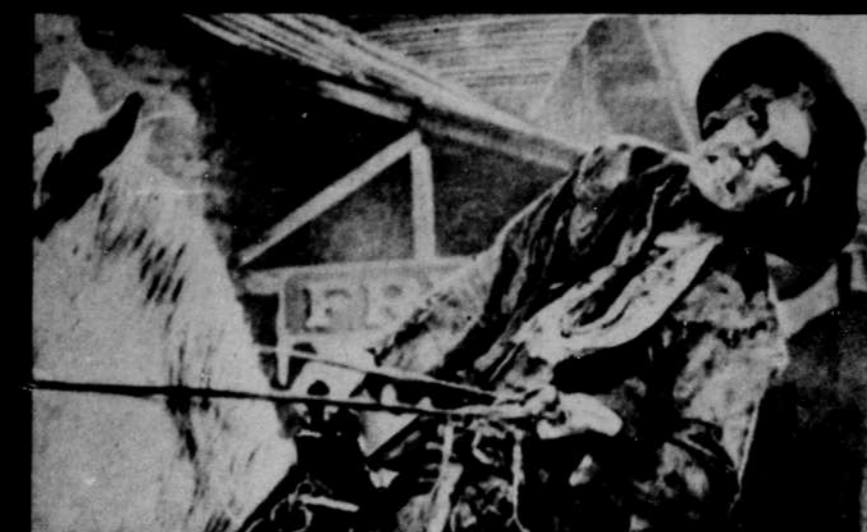

In tight places!

It's an open secret...

As everybody nose...

It's the wildest movie...

That ever went "bang-shucks-bang"!
