

Flu Shot Clinic

Come on, now. It can't be all that bad.

These students and faculty are receiving their flu shots Tuesday in the Student Union Ballroom. The shots are free to students and cost faculty and staff members one dollar.

Today is the last day to receive the shots. They will be administered from 9 a.m. to noon, and from 1-5 p.m.

The injections are being given in anticipation of a possible flu epidemic this winter, especially on the West Coast. A second flu shot is necessary about one month after receiving the first shot, if the person has not had a flu shot or booster within the past year.
