Anti-War Group Plans Meeting On Organization

The Faculty-Student Committee to Stop the War in Viet Nam will hold an organizational meeting at 8 p.m. today in 150 Science.

The purpose of the meeting will be to take a final vote on the proposed principles of organization distributed at the last meeting and to complete plans to bring to the campus Felix Green, author of China and Curtain of Ignorance, who has recently returned from North Viet Nam.

Joseph Jorgensen, assistant professor of anthropology, was elected faculty co-chairman last Thursday and Mary Hamilton, graduate in psychology, was selected to be student co-chairman. Continuing as treasurer is Robert Leeper of the psychology department. Laura Beck, undergraduate student in English, is secretary.

The following standing committees were formed: communications, public relations, fund raising, speakers bureau, information assimilation, peace lobby, and action. The steering committee will consist of the co-chairmen, treasurer, chairmen of the standing committees, and representatives at large, invited by the co-chairmen.

The committee will also conduct a community poll on the attitudes of 1,000 Eugene residents with regard to their views of the war in Viet Nam. Help is needed in conducting the poll and assimilating the data. Interested persons may contact Al Gribben at 343-4449.

Color Serigraphs On Exhibit in SU

The exhibition, circulated by the Old Bergen Art Guild, is sponsored by the SU Arts Committee. It will be on view through Saturday.

Nancy Nemec is a well-known artist, particularly in the New England states. She is a graduate of Colby Junior College, New Hampshire, and attended Vesper George School of Art, Boston, Mass.

She has exhibited in a number of one-man shows in New York state, Massachusetts, Michigan, Pennsylvania, Kansas, Texas, Oklahoma, and in Seattle, Washington; in group shows throughout the country; and her works are in collections such as the Library of Congress, the New York Public Library and the Print Club of Philadelphia.

Senator Seeks Men for Work With Children

Ida Patterson School is in a "poverty pocket" in Eugene. Many of the children there have little home life. Many of them have brothers and sisters with different fathers. Some have mothers with two or three boy friends. One little boy goes home from school to a motel every night.

For the past few weeks a pair of ASUO senators, Chuck Pruitt and Gene Sokolski, have been out to Ida Patterson to talk to those kids and the teachers. They went out there as part of an effort by ASUO President Steve Goldschmidt to get University students involved in the problems of the Eugene community.

Now Pruitt is looking for male University students who want to work with those children, mainly teaching them how to play games like football, baseball, and so on. Ida Patterson has only one man teacher. Students interested should contact Pruitt at Ext. 1584 or in room 301 in the Student Union from 11 a.m. to 1 p.m. on Tuesdays.

"We're not planning a big program," says Pruitt. "Only about 10 people will probably be involved to start with, but we hope this will be the first of a series of activities like this."
