These are the five U. of O. students who along with two faculty members have the responsibility of directing the Co-op Store for you, the Co-op member—its only owner and stockholder. The board which is selected each year by Co-op members determines all major policies in the store's operation. Since the present board's term of office expires in a few weeks, three new student board members (one sophomore, two juniors) will be chosen at the ASUO elections next month. Nominations for these positions will be in order at the Co-op's annual open meeting 7:00 p.m. April 21st, 138 Commonwealth. You are urged to nominate a qualified candidate of your choice. Be sure to vote too! Meeting will be held in 138 Commonwealth. See you there!
