

# Ducks Seek Another Title Game to Decide Who Makes Trip

Coach Bill Bowerman's Webfoots will be favored to retain their Northern Division title Saturday in Seattle. The Ducks will be seeking their 13th straight championship.

Oregon hasn't failed to win the crown since 1953, when Washington State took first. And in that 12 year period the Ducks have been pressed only twice, by Washington in 1954 and 1955. Since that time, a 9½ point margin of victory has been Oregon's smallest.

This year should be no exception. The Ducks are once again the class of the Northwest, with such outstanding individual performers as Neal Steinhauer, Bob Blum, and Wade Bell.

Turning these three athletes into valuable points, plus the efforts of distance men Ken Moore and Bruce Mortensen, the Ducks figure to score heavily in the shot, 880, hurdles, mile, three mile, and steeplechase. The steeplechase has been added to the program to make 18 events which will be scored on a 5-3-2-1 basis.

Coach Bill Bowerman reports that Moore will go only in the three mile which could turn out to be the feature event of the meet as Moore and WSU's Gerry Lindgren will knock heads for the first time this year.

Lindgren has run the two-mile just twice this season due to illness but his second outing was a blistering 8:39.5. Moore's best time is 8:44.2. WSU's Chris Westman could also be near the head of the pack at the finish as he has recorded a two-mile best of 8:56.0.

Steinhauer will be in Los Angeles tonight to meet Randy Matson at the Coliseum Relays and then will hot-foot it to Seattle for the Northern Division meet. Steinhauer will compete in the shot and discus in Seattle and must be considered the favorite in the shot and threat to beat Washington's Al Pemberton in the platter event.

Steinhauer reports that he does not think his travel will interfere with his performance Saturday.

Bill Bowerman

day. He was asked to enter the discus in LA but declined in favor of "saving" himself for Saturday.

The Ducks had to scratch Bob Williams from the three mile due to injury but Bruce Mortensen will join Moore in that event and will also be out to defend his ND steeplechase title.

Bowerman also reports that he plans to use sophomore Paul Cope only in the 440 hurdles so he can give his best all-out performance.

Bowerman has tabbed the host Washington Huskies as the team to watch as a possible challenge to the Ducks supremacy. "I know the Huskies are stronger than when we beat them (86-59). And we've lost some people since that meet too," said the Duck coach.

## Freshman Breaks Three-Mile Mark

Fresh distance runner John Woodward smashed Ken Moore's freshman three-mile record by 24 seconds to highlight the all-comers track meet held yesterday at Hayward Field.

Woodward finished with a fast last half mile to win in 14:02.3, beating out Mike Lehner, running unattached, and teammate Hal Jackson. The old standard was 14:26.4, set by Moore in 1962.

Other highlights registered by frosh athletes included Norm Trerise's 4:15 mile, and Dave Durant's 14.6 high hurdles victory.

Archie San Romani took the 330 in 1:54.5 and Jim Puckett won the 100 in 9.8 competing unattached. Oregon State athletes won both heats of the 220, both winning in 21.7.

## Attend Festival

Amphibian President Pam Bladine and her court, Sheila Jarman, Mary Jane Cummins, Connie Cole, Janet Penn, and Suzanne Tullis attended the International Aquatic Art Festival in Pullman, Wash., May 4-6.

Defending titlists returning this year will have problems holding their first place positions earned a year ago.

Steinhauer, in the shot put, is possibly the only sure repeater, but he will have a tough time in the discus. Butch Lumby of OSU won the 100 and 220 in 1965 but has been ruled out of the meet by coach Bernie Wagner. Wagner is coaching to have Lumby ready for the AAWU meet a week hence.

WSU's Chris Westman won the three-mile last year but his title is in jeopardy to Moore and Lindgren, while Dave Williams of Washington will have to turn in a remarkable time to top Oregon's amazing sophomore Bob Blum in the 120-yard hurdles.

The other two returnees are Bob Keppel of WSU in the high jump, and Bill Heikkila in the javelin. Keppel, who has leaped 6-10¼, should repeat, but Heikkila will have to improve considerably to retain his 1965 crown.

If you're at the varsity - alumni football game this Saturday don't go away at the final gun. There's more action to follow.

Immediately following the game 34 of the best rugby players from Oregon and Oregon State Universities will compete in an intersquad game that will determine which of the performers will be a part of the 26-man Oregon all-star rugby team scheduled to tour England and Wales this summer.

The 34 players—19 from Oregon and 17 from Oregon State—are the survivors of a squad that once numbered over 50. That squad was pared following two exhibition games to the present total.

After that everything will be up to Murray Dawson, OSU rugby coach, and vice-president of the Oregon Football Union, whose job

it is to select and coach the team. The more than \$20,000 needed to finance the trip is being raised through the Student Unions of both schools. Boosters will be able to buy pins reading "Oregon Rugby Tours of Great Britain" for 50 cents at the game.

Probable University starters on Saturday's green team include fullback Barrie Ward, wing Alan Morton, center Victor Grihn, halfback and captain Bruce Howe, hooker Dave Docherty, front row Ron Larson, second row Russell Lynde, side row Dan Tannacito and back row Jack Herring.

Probable Oregon players on the black team are wings Warren Hammill and Don Simonson, center Dave Dottemiller, halfback Pete Raven, front row Bruce Morrison and Mike Kael, second row Bill Strachen and Joe Nieson, and side row Cliff Freeman.

# The no-drag shaver. In 1st, 2nd, 3rd, 4th, and 5th.

The REMINGTON® 200 Selectro Shaver is a new model. Different from anything you've used before. It has a dial with 5 positions that lets you shift over all the different parts of your face.

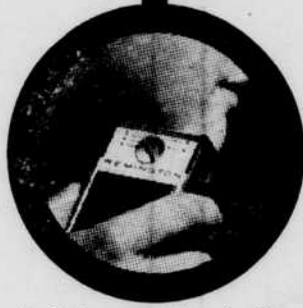

In 1st, you get a smoother start on your neck. Gets all the whiskers in pure comfort.

In 3rd, you get this wild drifting sensation as you go over your cheek. No burn. No drag.

5th is the finishing line. You couldn't get straighter sideburns at the barber's.

In 2nd, you can knock off a couple of days' growth without any trouble.

By the time you shift to 4th, you're in and out of corners, around curves, over tricky tender spots. No skid marks.

6th is for cleaning out the shaver. By the way, don't expect to pay more for this baby. It's actually a little less than regular shavers. REMINGTON also makes a complete line of cordless shavers.
