| ● Sandy Reece | Professor of Physical Education |

YOUR STORE

The Finest Tools and Values for Your Education

46 Year Heritage of Student Service

In the year 1920, the President of the University along with a number of faculty members subscribed to stock to create a university bookstore. By 1933 it was owned completely by the student members. Since these beginnings the Co-op has grown to be an intimate part of the present university. The Co-op is still growing to serve your needs. Each graduating class of students has left the Co-op as a legacy to future students—that they may profit from its growth and experience.

Important Savings Through Patronage Refunds

The Co-op has consistently paid a 10% refund for the past 19 years. This is the best record of any bookstore on the West coast.

The more you buy the more you save. MEMBERS share in the profits according to the amount of the purchase slips saved. Students may join the Co-op at the business office. Membership is 50 cents. The rebate is granted at the end of spring term.
