"A tender and lusty study of love. 'Dear John' is a tour de force of erotic realism. Lovemaking banter . . . as explicit as the law allows!" —Time Magazine

"Astonishingly frank! An unabashed look at real-life sex. Remarkably uninhibited and specific in its recording of the way lovers talk and touch and think!" —Richard Schickel, Life Magazine

"Altogether it is a stunning picture, a compelling picture! A frank and uninhibited exposition of the on-rush of physical desire. One after another scene expands upon the brash techniques of courtship and the clamorous fulfillment of desire!" Bosley Crowther, N.Y. Times
