Discovery

A word, a phrase, or a familiar Bible verse suddenly becomes alive and is deeply felt. You take a step towards a greater love and understanding than you've ever known before. You glimpse the all-encompassing presence of God. It's the kind of spiritual discovery that takes place for many at a Christian Science church service. You are always welcome.

ATTENTION Off-Campus Students

Students paying their own utility bills—that is, living off-campus where utilities are not included in the rent—should make their own arrangements with EWEB for starting and stopping electric service.

An order to start service saves the inconvenience of having your electricity turned off because the previous tenant ordered it stopped. An order to **discontinue** service saves the inconvenience of being billed for service after you leave Eugene or move to another location in town. It's simple; do it by phone!

Remember...

1. Call and apply for service—when you move in.
2. Call and stop service—when you move out.
3. Notifying your landlord that you are moving in or out is not enough. You must notify EWEB!
