LINDA JOHNSON models this two piece pants suit that is very popular this spring. The outfit is appropriate for sport and travel functions. Lime and green polka dots show off square buttons on the military jacket. Made by Petti, the jacket costs around \$17; pants \$11. Notice the sandals that go so well with slacks. They're always "in." These T-straps are made by Savoia and cost around \$13.

A MEDLEY OF COLORS accented for the casual young individualist in today's newest shapes. Long sleeved smocks of dacron/cotton voile. Sizes 3-13.
