

WELCOME TO THE CO-OP— THE STUDENTS' OWN STORE

Campus headquarters for *all* books and supplies

48 YEARS OF SERVICE

In 1920 the president of the University and several faculty members subscribed to stock to create a university bookstore. By 1933 it was completely owned by the student members. Since then the Co-op has continued to develop into an integral part of the University community.

EVERYTHING FOR THE 'STUDENT'

Almost everything is available at the Co-op to make studying a little easier: text books, study guides and all school supplies.

Study breaks haven't been forgotten either. The Co-op carries records, athletic equipment, magazines, pleasure books.

And, too, cosmetics, contemporary cards, gift ideas, decorator items. You name it.

SAVINGS THROUGH REFUNDS

The more you buy the more you save since members share in the profits. The Co-op has consistently paid a 10% refund on receipts saved for the past 21 years. No other bookstore on the West Coast beats this.

Students may join by purchasing a membership for 50 cents.
