## Webfoots Rolling, Says Harrington

By STAN HORTON  
Of the Emerald

"We're really starting to roll. We're gonna be 3-3 by the time we meet USC." Quarterback John Harrington echoed the sentiments of the entire Oregon football squad after their 23-8 victory over Idaho.

The win over the Vandals gave the Ducks a 2-3 season record with a good chance to reach .500 against Utah next Saturday.

Harrington completed 5 of 16 passes for 65 yards and one touchdown. He also picked up 63 yards on the ground. The 5-11 junior from Portland emphasized the fact that he had great protection from Oregon's offensive front line. Harrington was thrown for only one loss in 15 carries.

"Back-of-the-game" Claxton Welch, who gained 139 yards in 28 carries, termed the blocking "out of sight." Welch's 139 yards gave him 1012 for his career and put him eighth on the all-time Oregon rushing list.

Head Coach Jerry Frei seemed to be pleased with his team's overall performance but was unhappy with several first half penalties which halted Oregon goal line drives. "It's nice to see all those smiling faces two weeks in a row . . . Those penalties in the first half really hurt us . . . but I'm not complaining."

Frei also commented on the Duck letdown in the second half. "I wanted to give a lot of guys a chance to play. It took away some of our momentum. We substituted when we did because John (Harrington) had been hit in the chest and it was a good time to rest him, and we wanted to get a lot of guys into the game."

The head mentor also had praise for Idaho. "Hey, I want you to point out that Idaho is a darn good football team. See what Washington State did to Stanford? (21-21 tie) Well, Idaho lost to WSU 14-7, and that says a lot right there."

Idaho coach Y C McNease offered similar comments concerning Oregon. "Oregon is an extremely aggressive team . . . Oregon did a heck of a job on our running attack. Oregon is probably the best football team we've played this year."

McNease, the Oregon football squad and Coach Jerry Frei seem to agree that the Fighting Ducks are indeed on their way.
