

Ailing netters to entertain Oregon State

By ERIC JOHNSON
Of the Emerald

Oregon's Fighting Duck tennis team will face the Beavers of Oregon State at home Saturday afternoon at 1 p.m. The Ducks, after their 9-0 whitewash of Portland, are 4-2 on the season and looking the toast of the Pacific Northwest.

Injuries are a factor this Saturday, with number one man Dave Staniford slowed by an injury and Jumbo Fernando out with a leg injury. Les Hansen, who played in the top three singles positions last season and is an excellent netter in doubles competition, will be filling in for Jumbo. His backhand is his greatest asset.

If the weather is inclement don't bother to come out. The match will be rescheduled at another time. The encounter is scheduled for the 15th St. courts.

The J.V. netters are 1-1 at this point, losing a very close decision to the Portland varsity 3-5 and blanking LCC 9-0. Next match is this Saturday at SOC.

Tentative lineup for the varsity against OSU:

Singles: 1, Dave Staniford; 2, Ron Zielski; 3, Charles Fritz; 4, Chris Anderson; 5, Rick Wilson; 6, Les Hansen.

Doubles: 1, Zielski-Staniford; 2, Hansen-Anderson; 3, Fritz-Wilson.

Dellinger promoted

By STAN ROTENBERG
Of the Emerald

As the Oregon track team prepared this week for their dual meet with the California Bears at Berkeley, Bill Dellinger, assistant track coach, was named to the position of associate track coach which will entail added responsibilities to his already charesome job.

The promotion was instituted because head coach Bill Bowerman has taken on so many national responsibilities in addition to coaching the Ducks. Bowerman is an active member of the Presidents Council on National Youth Fitness, one of four coaches on the Olympic Board Committee and is on the Olympic Track and Field Board.

Dellinger, once an athlete under Bowerman, participated in three Olympics games, winning the bronze medal in the 1500 meter run at the 1964 Games. He joined the Oregon staff in 1967 as Bowerman's first full time assistant.

It was also announced that, as part of a new long-range development program for the 1972 Olympics, the University will host the top middle distance runners in the country during the summer in a preliminary training program.

While Dellinger faces new hardships, so do the Ducks.

California has a very good and unpredictable track team. They lost by only one point to power-

ful USC last weekend, and could give the Ducks a tough meet.

Coach Bill Bowerman feels the meet will be close. "Right now I figure we have 75 points, and this doesn't count either relay." The relays are worth five points apiece, and there are two, the 440 and the mile relay.

California has a very good sprint star in Isaac Curtis who has run a 9.3 hundred, but there are rumors that he is injured, and others here say that he is out for spring football. His appearance in the meet could have much to do with the closeness of the meet.

Oregon will be without its utility man Ivory Harris, who

Victorious crews bill 5-shell test

Fresh from victories in the Bay area last weekend, the Oregon crew squads travel north Saturday for a five-club race on American Lake near Tacoma.

Forming opposition for the varsity, junior varsity and freshmen teams are Seattle U., Pacific Lutheran, Puget Sound and Western Washington State.

Wenger added for ND match

There will be at least one change in the Oregon golf lineup when it begins play in the Northern Division Tournament this weekend here and at Corvallis.

The four Northwest Pac-8 teams will participate in the two day affair, today at Corvallis Country Club and Saturday at Eugene CC.

Junior Dave Glenz, following a disastrous 83 in the Ducks' victory over Oregon State Wednesday, has relinquished his spot on the team to Kim Wenger, a sophomore from Tacoma.

Glenz struggled in with that 83, even though he came home eagle-birdie-birdie on the final three holes.

Playing for the Ducks will be Wenger, Mike Currie, Pat Fitzsimons, Craig Griswold (Jack Sheehan and Don Smith).

Norelco can shave you closer than a blade, and count how many times it does it.

1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18 shaves.
On a single charge.

The Norelco Rechargeable Tripleheader Shaver was made to do two things:

To shave you as close or closer than a stainless steel razor blade.

And to give you up to twice as many shaves per charge as any other rechargeable shaver.

Here's how it works.

The Rechargeable Tripleheader has 18 self-sharpening rotary blades, inside of 3 Microgroove™ shaving heads.

The heads actually float, to follow the curves of your face.

They go in where your face curves in, and out where your face curves out.

And because the blades are rotary, they shave your beard in every direction at once.

(If you don't think that means anything, feel your face. Feel how your beard grows in different directions on different parts of your face?)

The Norelco Tripleheader also has a pop-up trimmer, so you can see exactly what

you're trimming.

It has a Charge Indicator that lights up when it's charging.

It has a Shave Counter to count your shaves.

And it gives you nearly twice as many shaves per charge as any other rechargeable.

So if you're shaving with a blade, feel around your chin and neck and upper lip.

If it feels like you could use a closer shave, get yourself a Norelco Rechargeable.

And shave your whole face for a charge.
