Iain More will oppose Spence Alpert for ASUO President in the general election scheduled for May 20 and 21.

More and Alpert outpolled three other candidates for the office in a two-day primary election Monday and Tuesday.

Also included in the primary election were races for ASUO Senate, National Student Association and IUSSOSHE representatives, class officers and two referenda dealing with University graduation requirements for physical and health education.

More and his vice-presidential running mate, Larry Salmony, received 950 of the 2,385 votes cast for the office. Alpert and partner Dan Neal, running on a platform of " 'people' oriented student government," came in second with 540 votes.

Orbie Scott and Jackie Minnis, "the student must be liberated," were third with 489 votes. Harold Oaks and Jim Knight, "academic excellence, political neutrality," received 236 votes. Keith Parrish and Larry Haller, "student-faculty senate, OCS off campus," received 75 votes.

More and Salmony were the only ticket without a slogan platform on the ballot.

Election officials reported that 82 ballots were declared void for a variety of reasons, including unnecessary markings.

In election for senators at large, Position 7, Neal Rosen and Rick Coursey will appear on the general election ballot. Rosen, Con-Continued on Page 4

## **Fiscal Committee concludes work** Fee budget totals nearly **\$1** million

The ASUO Fiscal Committee will present \$900,000 in budget recommendations to the ASUO Senate Thursday evening for final approval.

The fiscal committee, which heard \$1,083,431.26 in requests from various University groups, is responsible for recommending to the senate the amount of incidental fee monies to be allocated to each organization.

The increased budget recommendations will raise the amount of incidental fees each student pays from \$17 per term (1970-71) to \$19 per term (1971-72) plus \$1 per term for OSPIRG.

The biggest increase in the budget, \$80,000, came in the area of University Programs. Programs in this area that were not included in the 1970-71 budget are: OSPIRG, several minority programs, the footbridge, Illahe School, the migrant Labor Project and the Art Exhibition.

OSPIRG, which is requesting \$42,000, will actually receive \$6,000 incash and the rest will be put in a reserve fund. In order for OSPIRG to use money from the reserve fund they must present a request to the fiscal committee explaining what the money is to be used for.

The Athletic Department will receive \$210,000 and the ASUO will get 50 per cent of the department's over-realization. The Athletic Department will also take over crew which was cut from the Club Sports. budget.

The requested Athletic budget was cut \$45,000 because that was the increase needed for grant-in-aide. According to league rules grant-in-aide money must come from contributions only.

The fiscal committee is recommending a cut in ASUO salaries for next

year. Joe Gemayel, chairman of the fiscal committee explained that in order to find money to expand the present programs administrative costs must be cut.

ASUO directors will be paid \$105 per month for 12 months and assistant directors will be paid \$60 a month for nine months. Secretaries will also be paid on a nine month basis.

The large cut in many of the non-ASUO organizations is due to the fact that the committee is recommending to provide salaries only for those programs directly under ASUO presidential control. This eliminates ASUO salary funds for organizations that serve only one part of the University and are not under direct ASUO control.

Standard rates were also set by the committee for traveling and food expenses. Increased phone and postage rates scheduled for next year are responsible for increases in administrative costs of many of the programs.

The committee is also recommending the Housing Office be incorporated into Legal Council. A law student will be hired by the Legal Council to take on the same duties of the former housing director.

The IUSOSSHE budget includes \$945 which is to be used only if the state chairman of IUSOSSHE is from the University.

The reasoning behind the numerous cut and increases made in the other budget requests will be explained to senate members by the fiscal committee at the senate meeting Thursday evening.

After the budget receives senate approval it goes to the University president and the Statee Board.
