TV collage set this weekend

This weekend, the University will be the site of a exhibition of new concepts in television.

Visual Information Service of New York, in association with Video Free America of San Francisco, will present five shows Friday, Saturday and Sunday in 123 Science. Show times are 7 and 9:30 p.m. on Friday and Saturday and 2 p.m. on Sunday afternoon. Admission will be \$1.

The University is one of only five campuses to be toured by Video Free America this spring.

Instead of utilizing just one television screen a multi-screen, double track video theater system will provide the environment for the one and a half hour programming.

Works included in this presentation, entitled "For Your Viewing Pleasure" will include THE CONTINUING STORY OF CAROL & FERD, a documentary soap opera about a couple escaping their work in San Francisco's erotic film industry, and VIEDO FEEDBACK, a collage of video graphics and electronic mandalas.

Society seeks local films

An opportunity for local filmmakers to have their films shown is being made available through the University Film Society, as a part of its continuing program of encouraging local film making.

The Society is looking for short films to present as a part of its final program of the season on Sunday, May 23. The films should be by local filmmakers and should represent their recent work, according to Robert McCollough, secretary of the Society.

The combined running time for the films is 20 minutes. Standard rental fees will be paid.

The selected films will be shown in the University Theatre with the feature film, "The Innocents," which is based on the Henry James novel, "Turn of the Screw."

Filmmakers who are interested should get in touch with Ron Finne by calling 747-4854.

Campaign committee formed for Hughes

Supporters of Senator Harold Hughes (D-Iowa) announced the formation of a statewide Hughes for President Committee. Members from grass roots organizations will promote the expected candidacy of the Democratic Senator and will organize for the 1972 Oregon Presidential primary.

This group plans to disseminate information regarding Senator Hughes and develop a broadly-based support organization. Interested persons may obtain information by contacting either the Portland or Eugene headquarters of the organization.

Ali tickets on sale

Muhammad Ali, Muslim Minister and former world heavyweight champion, will present a concert-lecture at the University Monday, May 24.

Ali, formerly known as Cassius Clay, will appear in McArthur Court at 8 p.m. under the sponsorship of the Associated Students' Cultural Forum.

Tickets, at \$1.00, are on sale at the Erb Memorial Union and at Mattox Pipe Shop.

Ali is currently under indictment for refusal to serve in the armed forces, a position he took in 1967, claiming exemption as a religious leader of the Black Muslims, before the presently popular anti-draft movement. At that time he was stripped of the 1964-won title of World Champion.

Ali won the 1960 Olympic Gold Medal in the light-heavyweight boxing divisions. Following that he turned professional and won the world title by defeating Sonny Liston.

His quick wit and graceful retorts have made him a popular figure on the lecture stage.
