

THE THIRD ANNUAL ANAHEIM, AZUSA AND CUCAMONGA SEWING CIRCLE, BOOK REVIEW AND TIMING ASSOCIATION PRIZE FOR PROFUNDITY: To Arthur Esslinger, Dean of the School of Health, P.E., and Recreation,

who said at a recent faculty meeting while discussing P.E. requirements: "If you could see the unfitness and ineptitude of the bottom half of our student body, you couldn't support this motion."

FURTHER PROOF THAT NOTHING CAN STOP AN IDEA WHOSE TIME HAS PASSED.

SORRY, JOE, BUT YOU DON'T RATE: We are not, repeat not, giving Joe Gemayel, professional student administrator, who told minority students, "You don't need money to run a good program," a Salt of the Earth Award. Joe has been bugging us for the past week wanting to know if he was getting an award. Well, Joe, now you know.

ATTENTION Off-Campus Students

Students paying their own utility bills—that is, living off-campus where utilities are not included in the rent—should make their own arrangements with EWEB for starting and stopping electric service.

An order to start service saves the inconvenience of having your electricity turned off because the previous tenant ordered it stopped. An order to discontinue service saves the inconvenience of being billed for service after you leave Eugene or move to another location in town. It's simple; do it by phone

Remember...

1. Call and apply for service—when you move in.
2. Call and stop service—when you move out.
3. Notifying your landlord that you are moving in or out is not enough. You must notify EWEB!
