## Help Wanted

**SENIORS, NEED A GOOD JOB AFTER GRADUATION?** A job working with & for people? Come and talk to your PEACE CORPS VISTA representatives in front of the E.M.U. all this week.

We urgently need VISTA LAWYERS to serve us as legal advisers to low-income areas. Any lawyer wishing to apply can almost pick his job from any one of hundreds awaiting a Vista lawyer. See the Vista Law Representative in the Law school lounge, Wednesday & Thursday 9 to 1, or come see us in front of the E.M.U.

Peace Corps and Vista both can easily place any BUSINESS MAJORS, especially MBA's wishing to apply. In Peace Corps you can choose from any of 20 countries requesting business people. Vista is currently placing business people in almost all areas of the country. See a Peace Corps Vista rep. in the Student Business lounge, Commonwealth, Wednesday and Thursday or see us in front of the EMU.

Peace Corps and Vista will place any and all single ARCHITECTS (or married with no family.) Vista places architects to work in community design centers around the country. Peace Corps presently has openings in ten developing countries. Apply in either Room 283 Architecture Lobby, Tuesday and Wednesday or at the E.M.U. all this week.

The greatest need presently in Peace Corps is finding people with AGRICULTURE DEGREES OR AGRICULTURE BACKGROUNDS. If you fit into one of these areas, come and speak to us about a job in any of 37 countries—in front of the E.M.U. this week.

MATH SCIENCE majors can be easily put to work in any of the 27 Peace Corps programs around the world. Most will be teachers but some can do research. Come see us in front of the E.M.U.

Now is the time for Seniors who are interested in serving in either Peace Corps or Vista to apply for programs beginning in the summer. By applying, you merely create for yourself another alternative for next year. An application carries no obligation.
