The purpose of the group is consciousness expansion. It is not a therapy group nor a social skills group. The group will meet from 7 to 10 p.m. Wednesday evenings beginning June 28. Selection of participants will be by interview and tests June 26-28. Sign up in 150 Susan Campbell Hall for interviews.

Ersted winners selected

The University's Ersted Awards for Distinguished Teaching have been given this year to Carolin Keutzer, 33, assistant professor of psychology, and Kwangjai Park, 36, associate professor of physics.

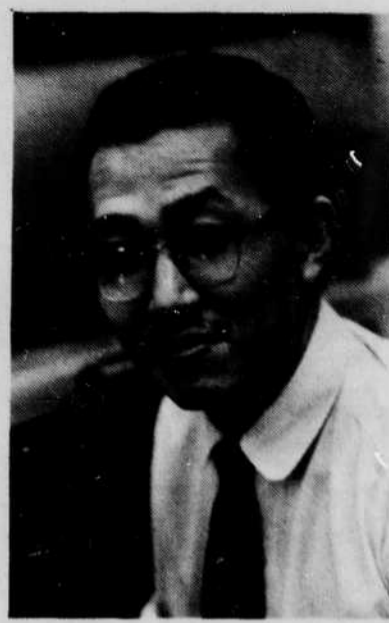

The \$1,000 awards were presented at the University's commencement exercises June 11.

The teaching prizes are provided through a memorial trust fund from A.J. Ersted of Atherton, California, who wanted the money used to encourage and reward distinguished faculty. He asked that it be given faculty who have demonstrated exceptional ability to induce students to reason rather than to memorize.

In Ersted's words, the awards should "stimulate an interest in inspired teaching in the classroom and in conference."

Carolin Keutzer

Kwangjai Park

Professors Keutzer and Park were chosen by a committee

from nominations made by faculty, students and alumni.

Detective: 'not guilty' in spraying

Lane County sheriff's detective, James Wolcott, entered an innocent plea Monday in Lane County District Court to a charge of spraying a University student with a tear gas like substance May 11. He was allowed to remain free without bail on the recommendation of the Lane County District Attorney's office. No trial date has been set.

The incident occurred when the student, Charles David Bruce, 19, a freshman, of 1491 Mill St., Eugene, was riding his bicycle between Broadway and 11th Avenue on Hilyard Street, according to authorities. Wolcott and three Eugene detectives were riding in an unmarked Eugene police car.
