You, too, are welcome to take advantage of the fun and games provided your spare time enjoyment. The area has AMF and Brunswick bowling alleys to provide healthful exercise, fun and the opportunity to meet others with similar interests. The rates for bowling are the lowest you've ever heard of and there are plenty of leagues for those interested in taking the sport more seriously. Ask at the recreation desk for complete information about winter leagues and schedules for open bowling hours.

SHARPEN YOUR EYESIGHT on one of the large pool or snooker tables where both flubbers and dubbbers and the experts rub elbows. You'll like the low rates for this game of skill.
