IUS

“Simply stated, the basis for student government is student opinion . . .  
it is responsible only when it reflects accurately the desires of the student . . .”

“ . . . student government at the University of Oregon is committed to  
extending the educational experiences offered to students far beyond  
the need to meet the academic requirements for a degree . . . ”

**Fred Loveys**  
ASUO Vice-President  
Spring 1972
