

# A NEW GAME PLAN FOR OREGON

New coach Dick Enright will lead the Big Green of Oregon into an 11 game football schedule that will include home games against Arizona, Washington State, Stanford, USC and San Jose. The fall term athletic card for students will cost \$8.00 (admittance to the four remaining home games plus three basketball games in December).

The winter term athletic card will cost \$10.00 (ten home basketball games plus all wrestling, gymnastics and swimming matches).

A combination fall-winter athletic card that will give the owner admittance to everything but a Knights of Pythias meeting (all football, all basketball, all wrestling, all gymnastics, all swimming, all cross-country and all pre-season baseball workouts) and can be purchased for \$15.00.

Only \$15.00?
