WRA slate offers 10 teams, clubs

The Women's Recreation Association (WRA) is open to all women on campus. It provides an excellent opportunity in both the recreational and competitive areas and is constructed to provide women with a variety of physical activities.

The recreational aspect of WRA falls into five areas: intramurals, interest groups, special single events, mini-courses, and open recreation.

Programs on tap for Fall term include volleyball intramurals, including co-ed activity; flag football intramurals; martial arts interest group, and open recreation Monday through Thursday evenings and Saturday and Sunday.

Information on WRA activities is listed on the WRA bulletin board in Gerlinger Hall's locker room, in the Emerald, and in the WRA Newsletter, which is published two or three times each term. The newsletter is mailed to WRA dorm, sorority house, and co-op representatives. Entry blanks can be picked up in 171 Gerlinger.

Intercollegiate sports under WRA provides ten teams and clubs, which compete with other collegiate women's teams both in and out of state.

Practice begins this term for the Amphibians, a synchronized swim team; bowling, swimming, field hockey, gymnastics, track and field, and volleyball. Basketball comes winter term and in the spring softball and tennis begins.

For more information on Fall term programs a special Co-ed and Women's Intramural Information booth will be set up in the Gerlinger Annex Hall. (Continued on Page 23)
