

SEE A LITTLE MORE ALONG THE WAY

Amtrak to Seattle \$10. San Francisco \$22.50

You won't miss a thing all the way to San Francisco. The big picture windows in our coach give you the kind of easy viewing you can't get on a plane, bus or jockeying your own car. It's all part of the tension-free travel that only Amtrak offers. So are the deep, comfortable two-abreast coach seats. (Bedroom accommodations also available.) The aisles wide enough to stretch or stroll. The pleasure of meals that let you enjoy what you eat without fretting over what you pay. And money-saving Family Fares available to most destinations. Next trip down the coast, unwind the safe, sure way. Take it easy. Take the train.
