STATEMENT OF QUALITY

All tires shown in this confidential price schedule are premium and first line quality only. (Absolutely no seconds, blemished tires, used tires, retreads, or recaps are sold.) All tires in the Capitol warehouses are from factories of the best known and most respected manufacturers in the industry, and are manufactured under the most rigid quality controls. See U.S. Govt. required Coding System and Tire Guide Reference Book at your Capitol Warehouse. Ask to see the maker's identifying code mark on the tire.

CAPITOL'S EXCLUSIVE "NO TIME LIMIT" TIRE GUARANTEE—COMPLETE CUSTOMER SATISFACTION

- **NO TIME LIMIT WEAR GUARANTEE** — Capitol guarantees the original purchaser will receive full mileage paid for or be given prorata credit on a new tire, based on the original purchase price, not including state, federal or local taxes, prorated on the basis of mileage.
EXAMPLE: If a \$20.00 tire with a 30,000 mile guarantee wears smooth at 15,000 miles, the cost of a new tire is \$10.00 plus Federal Excise Tax.
- **WORKMANSHIP AND MATERIAL** — If any tire sold by Capitol fails due to defects in workmanship and material during the first 25% of tread wear, it will be replaced free of charge. Failures beyond 25% of tread wear will be replaced on the basis of tread wear, prorated on the original purchase price, not including state, federal or local taxes.
- **ROAD HAZARD** — Does not apply to truck or commercial tires. Any tire that fails due to road hazards will be replaced on the basis of tread depth, prorated on the original purchase price, not including state, federal or local taxes. Repairable punctures not included.
- **FURTHER GUARANTEE INFORMATION** — This guarantee covers tires used in normal passenger car service by original purchaser only, but does not cover: mileage on front wheel drive vehicles, pickup trucks, campers, special type vehicles, buses or travel trailers, tires used in any form of racing, including drag strips, tires damaged by willful abuse, fire, collision, mechanical defects on vehicles, theft, or passenger tires used in commercial service on trucks or taxicabs. Defective tires must be returned to any Capitol Tire Sales/Warehouse for adjustment under this exclusive guarantee.
Capitol's tread wear guarantee is predicated on proper wheel alignment and normal driving conditions at normal speeds. Correct inflation pressures, frequent rotation of tires and general good vehicle maintenance will assist in achieving greater tire mileage, and promote safety in driving.
Excessive speed, overloading, fast starts and quick stops adversely affect tire mileage. Safe driving habits promote longer tire life — as well as your own.
