Capitol is the originator of the revolutionary Tire Sales/Warehouse program that drives down tire prices and promotes safety for group members. No recaps nor seconds are available. Only top quality products manufactured under private brand names by the world's leading manufacturers are sold, and they are backed additionally by Capitol's exclusive "no time limit" written guarantee. We operate low overhead warehouses in industrial locations and make factory-direct purchases of brand names that are not nationally advertised. These savings are passed on to you. Capitol urges you to shop and compare our prices - quality for quality. Discover for yourself how not only top quality and low price but also customer satisfaction have made Capitol the world's largest company of its kind.

This is not a special "limited time" sale. It is Capitol's continuous program. Retain this schedule for current and future use.
