**ANANDA MARGA BRINGS YOU**  
**Loves of Isadora**

The dancer Isadora Duncan was a rare combination of artist and revolutionary. She emphasized natural movement in dance, an unheard-of approach in the early 1900's. In addition, she strongly sympathized with the ideals of the Russian Revolution and left her native America to live there. An independent woman, her courage and dedication as well as her own personal struggle for freedom, is fascinating.
