MRS. MINIVER

AMERICAN FESTIVAL proudly presents WILLIAM WYLER'S ACADEMY AWARD WINNING **MRS. MINIVER** starring Greer Garson and Walter Pidgeon. This is not a war film about soldiers in uniform—this is a film of modern warfare in which civilians become the front line fighters and the engrained courage of the people becomes the nation's most vital strength. A film in which a flower show is as pregnant of national spirit as Dunkirk. Mrs. Miniver was an immense, truthful portrait of the stereotype about the English—Because we do know that the English spirit! In those days was just extraordinary, it makes us feel something very deep and very moving and we responded to it. . . .
