artebella's
boutique

Artebella's is a special shop for special people. We aren't big enough to carry every sort of clothing, so we specialize. Artebella's carries fashion clothing for women who like to be different. The brightness and originality of our designs will brighten a dreary winter. Do you want to see racks of clothes, differing only in size and color? Don't come to Artebella's. Artebella's is a special shop for fashion-conscious women.
