SPEED READING COURSE TO BE TAUGHT IN EUGENE AREA

The Oregon Reading Lab, of Eugene, will offer a 4 week course in speed reading to a limited number of qualified people in the Eugene area. A person is required to attend only one 2½ hour class per week, on the evening of their choice for 4 weeks only. The course guarantees to triple the person's reading speed with a marked improvement in comprehension and concentration. The guarantee, however, is a bare minimum as the average graduate will read 7 to 10 times faster. They can read almost any average book in less than one hour.

For those who would like additional information, a series of free, one hour orientation lectures have been scheduled. At these free lectures the course will be explained in complete detail, including classroom procedures, instruction methods, class schedule and a special 1 time only introductory tuition that is less than one-third the cost of similar courses. You must attend only one of the free meetings for complete details. You may attend any of the meetings, for information about the Eugene classes.

These orientations are open to the public, above the age 14, (persons under 18 should be accompanied by a parent if possible.)

If you have always wanted to be a speed reader but found the cost prohibitive or the course too time consuming . . . now you can! Just by attending 1 evening per week for 4 short weeks you can read 7 to 10 times faster, concentrate better and comprehend more.

If you are a student who would like to make A's instead of B's or C's or if you are a business person who wants to stay abreast of today's everchanging accelerating world, then this course is an absolute necessity. These Free one hour meetings will be held at the following times and places:

All meetings to be held at Harris Hall adjacent to the Lane County Courthouse.

125 East. 8th Avenue, Eugene.
Wednesday, Feb. 4th at 6:30 P.M. and again at 8:30 P.M.
Thursday, Feb. 5th at 6:30 P.M. and again at 8:30 P.M.
Friday, Feb. 6th at 6:30 P.M. and again at 8:30 P.M.
Saturday, Feb. 7th at 10:30 A.M. and again at 1:30 P.M.
Monday, Feb. 9th at 6:30 P.M. and again at 8:30 P.M.
Please be on time!

If you are a businessman, student, housewife or executive, this course which took 5 years of intensive research to develop, is a must. You can read 7 - 10 times faster, comprehend more, concentrate better and remember longer. Students are offered an additional discount. This course can be taught to industry or civic groups at "Group rates" upon request. Be sure to attend whichever free orientation that fits in your schedule.
