man and the oregon coast

SPRING 1976

A MULTIDISCIPLINARY APPROACH TO COASTAL ENVIRONMENTAL ISSUES

AT THE OREGON INSTITUTE OF MARINE BIOLOGY

The Man and the Oregon Coast Program is now accepting applications for its Spring term interdisciplinary program. Students from any academic discipline may spend spring term at the Oregon Institute of Marine Biology in Charleston, Oregon and take classes in Geography, Political Science, Landscape Architecture, Urban Planning, Economics, English and Biology. Students will study problems and issues involving the Oregon coast through classes and extensive individual projects with staff. Full university credit is available.

An informational slide show is planned for Wednesday, February 11—7:00 P.M. EMU. Information and Applications available in room 206 Science 111, Applications due February 20th, 1976.
