

# Teamster talks unsuccessful; strike begins

ARLINGTON HEIGHTS, Ill. (AP) — Teamsters set up scattered picket lines in several states early Thursday as negotiations on a nationwide contract continued past the midnight deadline.

Representatives of the teamsters union and the trucking industry met with Pres. Ford's top labor trouble-shooters in this Chicago

suburb. The strike deadline had been set for 10 p.m. PST — 1 a.m. EST — but it passed with no word from the negotiators.

Meanwhile, some Teamsters along the East Coast and in Detroit started picketing.

The Teamsters Union represents 400,000 drivers who handle 60 per cent of the nation's man-

ufactured goods. A nationwide strike would be the first since the union started negotiating master contracts in 1964.

Teamsters Local 299, the biggest in the Detroit area, said pickets were out around the city. A spokesman said 500 Detroit firms are under contract and a majority were unofficially on strike, while

16 firms had signed interim agreements and were being permitted by Teamsters to operate.

There were similar reports from Teamsters Local 375 in Buffalo, N.Y., where pickets were out at more than 100 trucking firms.

Teamsters officials in North Carolina and South Carolina also

called for truck drivers to go on strike.

W.C. Barbee, president of the Teamsters Joint Council No. 9, said the strike was declared after union officials received a telegram from negotiators in Arlington Heights saying talks had "reached an impasse."
