and TELEPROMPTER CABLE TV introduce the Revolutionary Family Entertainment Package of better television reception and better programming with no commercial interruption.

"Home Box Office is First Run, Major Movies"

And because HBO shows each new movie several times a month, you can watch it at the most convenient time . . . in the comfort of your own home. Movies like *Earthquake*, *French Connection II*, *Towering Inferno*, *Airport '75*.

"Home Box Office is Non-stop Sports Action and Special Programming"

Bringing you exclusive live television coverage of big-time sports events. Never ending sports season filled with excitement. All for less than you would pay to take an average family out to a big game twice a month. Home Box Office also brings you a complete line up of concerts, special events and children's programs.

"Home Box Office is a Fantastic Entertainment Value"

The movies alone represent an entertainment package worth hundreds of dollars each month. Yet to a subscriber, Teleprompter delivers it all for just 33c per day and nobody's counting how many people watch.
