Primary Election Supplement

The Presidential Primary originated in Oregon and Wisconsin shortly after the turn of the century. In 1976, more states will hold Presidential Primaries than at any other time in America's history.

To help voters make their decisions Tuesday, May 25, the Emerald is offering this supplement which covers the main races and issues to be decided at the polls.

To provide more complete coverage, the Emerald has focused on announced candidates which will appear on the Oregon and Lane County ballots.
