TO THE GOOFOOS I've known
ONE year of school's not alot
For a California girl-chaser whose, "hot-to trot."
But 9 months have shown what I like to see
And most has come from G-Phi-B

Aside from the girls I don't know at all
Except for "Hi's" as I pass down the hall
There's 2 special people in this story-o-three
One's named Kris the other's Sandy

Kris is a fox I need not say more
Sandy's my honey whom I adore
But one night I got drunk, boy was I confused
I put each one in the others shoes.
Love to Sandy and Kris from "the Cucamonga Kid." 2455:7
