Scholarship entries due

Applications for the annual Rhoades and Marshall scholarships are now available from the office of the Dean of Liberal Arts in 114 Friendly Hall.

Deadlines for applications are approaching rapidly — Oct. 22 for the Marshall competition and Oct. 31 for the Rhoades.

Winners of the Rhoades competition receive a two-year tuition and expense scholarship to Oxford University in Great Britain. Marshall winners receive a similar scholarship to the British university of their choice.

According to Stoddard Malarkey, associate dean of liberal arts, "It is an exercise in futility for anyone but those with superior qualifications, both academically and in extracurricular activities" to apply for either scholarship.

The Rhoades competition is open this year to women for the first time. Applicants must be unmarried U.S. citizens 18 to 24.

The Marshall competition is open to men and women, single or married, not over 25 years old.

Marines seek crew on island despite info

WASHINGTON (AP) — U.S. Marines were ordered to rescue the Mayaguez crew from a Cambodian island despite reports indicating the crew was no longer there and with bad information about enemy resistance, a congressional report says.

White House Press Secretary Ron Nessen said in San Francisco, "We disagree with that conclusion."

"The President carried out the actions in the Mayaguez case and believed they were right," he said. "The interval of time has not affected anything."

The report by the General Accounting Office said U.S. jet pilots had accurately reported seeing all or most of the Mayaguez crew on a fishing boat off the island. But it said U.S. commanders relied instead on an inaccurate report that the crew was on the island.

It also said key planners of the Marine assault on the island, Koh Tang, expected resistance from only about 20 Cambodian soldiers and did not know of accurate U.S. intelligence that there were about 150 heavily armed soldiers there.

The U.S. Marine assault May 15, 1975, on Koh Tang to rescue the ship and crew seized by Cambodian gunboats three days earlier left 18 Marines dead or missing. Twenty-three Air Force men involved in the mission also were killed in a helicopter crash two days earlier.
