"Load it up."

or The Accessories Game.

To a lot of people accessories are more important than original purchase. People have gotten rich of just selling accessories to the needy. Imagine a tape recorder with no tape.

Or "just how much would you be willing to pay for this needle. It's the last one we can ever get."

At the Sun Shop our diversification of musical products allows us to keep our head when selling you accessories items.

Here's a good example. We carry the best tape at the best price in town. Maxell, TDK and Sony in reel and cassette, and Maxell UD C-90's and TDK's new Super Avilyn C-90's are regularly priced at 3.90 each. Sony chrome C-60's 2.60 ea etc.

Case discounts are available.

We've got a complete record and equipment maintenance section. Discwasher, D'stat, Zerostat, Vacorec, and the amazing Soundguard. The Watts "parastatik" preener lists at 5.95, it was 5.00 and is now only 3.95.

Stylus selection is great too. Shure, Stanton, Audio Technica, ADC & Grado. Regular check-ups and annual replacement of your stylus can do more for your system than all the sophisticated electronics in the world.

Our price policy applies to accessories as well as components. See a better price and we'll beat it.
