From Associated Press reports

Navy locates sunken plane

LONDON — A U.S. Navy team conquered gale winds and heaving seas Sunday to retrieve a Phoenix missile that fell from an aircraft carrier six weeks ago and plunged to the bottom of the Atlantic off Scotland.

The rough weather prevented raising the F14 Tomcat jet fighter that sank with the highly classified missile off the aircraft carrier John F. Kennedy on Sept. 14, the Navy reported. It will be attempted when the sea calms.

Candidates go for pivot states

With only hours to go before they rest their campaigns in the hands of a closely-divided electorate, Pres. Ford and Jimmy Carter sought on Sunday to sway the big, pivotal states that will make or break a President in Tuesday's election.

Ford campaigned in the rain in upstate New York, then in the Long Island suburbs, asking voters for a mandate to continue the administration he began by appointment 27 months ago.

In person and on television, Carter worked in Texas, then in California. Acknowledging the election is razor-close now, he declared the nation needs change only he can bring.

Carter's church bars black

PLAINS, Ga. — Services at the Plains Baptist Church, which claims Democratic presidential nominee Jimmy Carter as a member, were canceled Sunday when a black minister who had applied for membership attempted to join the worshippers.

The Rev. Bruce Edwards, who said the black minister's attempt to join the church was politically inspired, said the decision was made at a Tuesday night meeting of the church's Board of Deacons, which voted to affirm a 1965 resolution which bars blacks and civil rights agitators from the church.

Gunman kills 2, wounds 9

MECHANICVILLE, N.Y. — A shipping clerk was charged with two counts of second degree murder Sunday after a police officer and a bar patron were killed and nine other persons wounded by gunfire sprayed from an apartment building here, police report.

Police said Kenyon Pruyn, 32, who police said was employed at a plant in nearby Latham, N.Y., was taken into custody late Saturday after he emerged from the burning apartment building.

Carter takes straw poll

MIDDLETOWN, Conn. (AP) — Jimmy Carter beat Pres. Ford in a straw vote of more than 850,000 Americans — none of whom will cast ballots in Tuesday's election.

The voters, school children between the ages of 5 and 15, are readers of "My Weekly Reader" and other student publications who clipped and sent in the ballots from Sept. 22 to Oct. 15.

The kids gave Carter 518,055 votes, or 61 per cent, compared with 332,973, or 39 per cent, for Ford, according to the results announced Sunday by Xerox Education Publications.

The Middletown-based firm said more students cast ballots this year than in a similar poll four years ago. The straw votes conducted prior to the actual elections have reflected the winner in every presidential election since 1956, except for 1968 when Robert Kennedy won the poll before his assassination.
