

Indians laud pleas to oust Gandhi gov't

NEW DELHI, India (AP) — In a massive display of anti-government sentiment, 200,000 persons roared approval Sunday as a diverse group of opposition leaders urged the ouster of Prime Minister Indira Gandhi in March's parliamentary elections.

The orderly but enthusiastic crowd cheered wildly as Jagjivan Ram, leader of a rebellion in the ruling Congress party, and Jayaprakash Narayan, a disciple of independence leader Mohandas Gandhi, denounced the prime minister's 11-year reign and her 19-month emergency suspension of Indian democracy.

"There were more people in Indian jails during the emergency than in British jails before independence," said the ailing 74-year-old Narayan, who was imprisoned for the first five months of the emergency and released when both his kidneys failed.

"I don't know what crime these thousands committed, but they were put into jail without trial," he said.

"Many are still there." Other speakers from different regions and ideologies all told the rally the choice for Indian voters next month was between "dictatorship and democracy."

The large turnout further bolstered spirits of the opposition, which initially felt it had little chance of defeating Gandhi.

Angolan role confirmed

PRETORIA, South Africa (AP) — South Africa, contradicting a year of denials, said Thursday it was directly involved in the Angolan civil war and could have conquered the whole country for its defeated allies.

A lengthy statement by defense force headquarters told of capturing Cubans and of finding signs of "Cuban cowardice" in 1975 operations in the former Portuguese colony.

The statement confirmed South Africa sent in its own troops as well as advisers, instructors, armored cars, 88mm and 140mm artillery guns and other weapons.

Black students not returning

JOHANNESBURG, South Africa — More than 300 black Rhodesian students allegedly kidnaped by black guerillas from a school last week refused Sunday to return with their parents, reporters on the scene said.

"We know our mothers were intimidated by Prime Minister Ian Smith's government to come pick us up against their will," one student who refused to go home reportedly said.

"This has been confirmed by a number of parents in our private discussions in neighboring Botswana where they conferred with their children in private at the district commissioner's office.

Bomb explosions averted

ROME — Police defused a time bomb on a crowded passenger train near Rome Sunday and said only a faulty fuse on another bomb saved the Milan apartment building that houses a Communist party office.

Police said dozens could have been killed if the powerful bomb found in the toilet of the 13-car train had exploded. The bomb was wrapped in leaflets signed by the extreme right-wing organization Black Order which said, "We are avenging injustice."

A dynamite bomb weighing more than 6½ pounds was found Sunday in the doorway of a Communist office in Milan. Experts said it could have collapsed the entire building, including several stories of apartments, if it had gone off.
