DEVELOP STUDY SKILLS

The Learning Resources Center offers the following skills seminars designed to help improve study habits and enhance academic abilities.

EXAM SKILLS. Learn how to study for exams, take more effective notes, reduce test anxiety and more. Time to be arranged.

MEMORY TECHNIQUES. Do you have trouble remembering what you have read? What you have studied? Develop effective methods for retention. Time to be arranged.

SPELLING. Tired of guessing? Spelling can be made easy once you learn a few simple rules. We've got a program that really works, no matter what your spelling problem. Classes meet MW 11:30 or TU 11:30.

TIME LIBERATION. Complete your academic requirements while maintaining a healthy balance of work and relaxation which fits your own lifestyle. Time to be arranged.

SPEED READING AND ADVANCED READING. Learn how to read your texts quickly and comprehensively. If you have already taken a speed reading class, Advanced Reading can help you develop higher levels of comprehension while brushing up on rate improvement techniques.

These classes involve small group discussions with individual attention from the instructor. A fee is charged. Register now at:
