AOPI's,
We thought to start your day out right,
We'd better interrupt your night;
All dressed in red from head to toe,
We woke you up to let you know;
That down the stairs you must run,
So that you wouldn't miss the fun.
The berries and cream were really a dream,
and the entertainment was just a scream.
And now that you're up and on your way.
We wish you a super Valentines Day.
XOXOXO from the Juniors.

K.C., the best big 'sis, a heart-throb from me, from F.H. II a kiss? Yikes!!
