Twenty-six persons, strangers only moments ago, clutched at various regions of each others' anatomy and held tight for three minutes and 20 seconds to claim a Guinness World Record. The bathtub "squeeze-in" was sponsored by the YMCA to raise money for the Big-Brother/Big-Sister program. Several teams participated, but it was a group called "Pat's team" that contorted themselves into the winning formation. The winners will meet again for a free spaghetti dinner in celebration of their collective triumph.
