

EMU CULTURAL FORUM PRESENTS

Forbidden Planet

In 2200, U.S. patrol ship lands on Altair-4 where scientist Moribus and his daughter Alta live an idyllic life. This is the first MGM science-fiction film... of special interest is the use of electronic music to heighten the eerie suspenseful mood of the film.

EMU CULTURAL FORUM PRESENTS

THE PHANTOM TOLL BOOTH

Milo, a bored San Francisco youth, leaves the real world and takes a trip through the kingdom of Wisdom, a strange cartoon world of fantasy and allegory. Produced by CHUCK JONES and filled with imaginative artwork, this animated feature uniquely combines a lively and entertaining story and style with education.

HEART OF GLASS

In the past, a small German town loses the secret of making its unique ruby glass. The townspeople turn to madness, murder, and magic in a desperate effort to recover the pure ingredient they have lost. "Mesmerizing, it knocks you out with its crazy surreal beauty." — New Times

AND

HERZOG'S incredible documentary
LA SOUFRIERE

In 1976 scientists predicted an imminent volcano eruption that would destroy Guadeloupe. The island was evacuated, but one man remained. Herzog and crew arrived to record the last days (which to expert dragn, never occurred)

SHIOKARI PASS

Credited with creating a deeper understanding of the Christian faith among the Japanese people, the film tells of the love of Nubuo for Fujiko, and of his willingness to be guided by his personal faith, no matter how great the cost of commitment. From its gentle opening to its gripping, unexpected conclusion, SHIOKARI PASS is a profound demonstration of the power of love in one life.
