

Not just another Grand Opening!

OUR NEW SALEM
STORE IN PRINGLE
PARK PLAZA

The relocation of our Salem store actually marks our fourth store opening; but it's our first 'Grand' Opening. In the past we've always opened our stores without fanfare. And, although we've offered good values and first-rate product selection from the very beginning, we've never really made an event of it.

But this time is different. After all, Salem was the location of our first store and it's also our home office. So, after almost five years in business we thought it would be an appropriate time for a 'Grand' opening.

There won't be any door prizes, or free balloons for

the kids. No fancy decorations either. But there will be some outstanding values on some exceptionally fine stereo equipment. Not carte blanche discounts on everything in the store. But rather, special buys on selected items in each 'key' component category; items that we feel already represent "Best Buys".

We have a large stock of these sale items but we don't expect them to last long. Stop by any of our stores and check out what we have to offer. We think you'll find our Special Buys to be as rare and unusual as 'Grand' Openings have been for us.
