THE LONELINESS
OF THE
LONG DISTANCE
RUNNER

Perhaps the best movie ever made on the subject of alienation, this film is the story of a young man who decides he would rather become a thief than work in a dehumanized factory. Sent to reform school, it is discovered that he has great potential as a long distance runner. In a series of flashbacks, the loneliness of the long distance runner merges into the loneliness of alienated youth.

MONTY PYTHON
AND THE
HOLY GRAIL

The Monty Python troupe unleashed their special brand of insanity on the legendary quest of the Knights of the Round Table, and the result is a totally outrageous comedy. The Holy Search leads to wild encounters with wacky Knights, love-starved Dames, and a vicious, blood-thirsty bunny rabbit. One critic described this film as "funny as a movie can get."
