

STEVE MARTIN

"A WILD AND CRAZY GUY"

IS HERE

Millions of Steve Martin fans have been waiting for it. And his *new* album is (excuse us) another masterpiece by a comedian who is becoming a legend.

Like all the greats before him, Steve's career is multi-faceted.

There will be movies.

And a lot more television.

But, like all the greats, it is the comedy he presents on stage that really gets to the heart of his talent.

Side one of "A Wild And Crazy Guy" was recorded at The Boarding House in San Francisco. Side two was recorded at a recent concert attended by 9,000 people at Red Rocks, an outdoor amphitheater near Denver, Colorado.

Like his Grammy Award winning first album, "Let's Get Small," we can assure you that "A Wild And Crazy Guy" is THE album for your wild and crazy record collection.

We're having some fun now.
